EXELA ELEVATORS PVT LTD

Elevating Experiences. Moving the Future.

Premium Elevator Solutions
for Modern Architecture.

COMPANY BROCHURE · 2026

ABOUT EXELA

Engineering Vertical Mobility. Elevating Everyday Life.

Exela Elevators provides elevator supply, professional installation and maintenance for modern buildings, with a focus on quality, safety and dependable vertical mobility.

Original company photograph supplied by Exela.

COMPANY PROFILE

A considered approach.

Our vision

To make vertical mobility seamless, safe and refined for the spaces people live and work in.

Our mission

To deliver well-engineered elevator solutions supported by careful installation and responsive maintenance.

Our focus

Quality, safety-focused solutions and professional installation.

Our support

Continuing elevator maintenance and service options.

Illustrative architectural reference. Not an Exela installation.

ELEVATOR SOLUTIONS

For the way your world moves.

Elevator options for homes, healthcare, commercial buildings and movement of goods.

Passenger Elevators

Refined vertical transport for commercial and residential buildings.

Company photograph

Residential / Home Elevators

Elegant elevator options for private homes and villas.

Illustrative reference

PRODUCT CATALOGUE

The right solution for every space.

Passenger Elevators

Refined vertical transport for commercial and residential buildings.

Hospital Elevators

Elevator solutions planned around healthcare movement and access.

Goods / Freight Elevators

Practical solutions for moving goods within buildings.

Residential / Home Elevators

Elegant elevator options for private homes and villas.

Capsule / Glass Elevators

Architectural glass elevators that complement open spaces.

Hydraulic Elevators

Hydraulic elevator solutions for suitable building requirements.

MRL Elevators

Machine-room-less elevator options for space-conscious buildings.

TECHNICAL SPECIFICATIONS

Built into every detail.

Auto Door

Automatic door operation for convenient entry and exit.

Gearless Technology

Gearless drive technology for modern elevator systems.

Premium Stainless Steel Cabin

A clean, durable cabin finish with a premium appearance.

Premium Stainless Steel Door

Stainless steel door finishes that suit modern interiors.

Customized Design

Cabin design shaped around the building and its users.

Automatic Rescue Device (ARD)

An automatic rescue device included in the elevator system.

V3F Controller

Variable voltage, variable frequency elevator control.

Center Opening / Side Opening

Door opening options to suit the layout of the building.

OUR SERVICES

With you, at every level.

Elevator Supply

Elevator solutions selected for the building's requirements.

Elevator Installation

Professional installation by a dedicated team.

Maintenance Services

Planned maintenance support for elevator systems.

Repair & Breakdown Support

Assistance when an elevator needs repair.

AMC / CMC

Maintenance contract options for continuing support.

Modernization

Upgrade options for existing elevator systems.

TECHNOLOGY & SAFETY

Considered engineering. Inside and out.
